PRODUCT DATA SHEET

PR 11 Water Based Primer

Features & Benefits:

- Ensures bond between subfloor and PROFLEX™ 90 MSC underlayment
- Water based
- Can be used on wood or concrete
- Excellent coverage

General Information:

PR 11 is a water based primer used to prepare flooring substrates for the application of PROFLEX™ 90 MSC flooring underlayment. This product must be applied to the flooring surface before PROFLEX™ 90 MSC. One gallon covers approximately 300 sqft when applied with a roller.

Use on These Products:

PROFLEX™ 90 MSC

Coverage:

- 300 sqft per gallon when applied with a roller

Product Availability:

- 1 gallon container

Warnings and Limitations:

- Protect primers from freezing.
- For exterior applications, PR 11 should not be applied if rain is imminent.
- Store in a clean dry location between 50°F and 100°F.
- Do not thin or mix with any other products.
- Keep out of reach of children.
- Do not swallow or ingest.
- Avoid eye and skin contact. We always recommend eye protection and gloves when installing any of our products.
- Dispose of in an environmentally safe manner.
- Keep covered when not in use.
- Always allow proper ventilation when using any primer, sealant or adhesive.
